Instrumentation – Meters – Valves – Regulators

ABB INSTRUMENTATION

Transmitters – Pressure, D/P & Temperature, Controllers, and Recorders, Flowmeters, Actuators, Positioners

**ANDERSON GREENWOOD/
CROSBY/VAREC**

Hand Valves, Meter & Instrument Manifolds, Safety Relief Valves, Blanketing Regulators, Selector Valves, Pressure Vacuum Vents, Pilot Operator Pressure/Vacuum Valves, Emergency Vents, Flame Arresters, Detonation Arresters

CHECK-ALL VALVE CO.

Sanitary Check Valves, Insert Check Valves, Mini Check Valves, Tubing Check Valves

CUSTOM CONTROL SENSORS

"Dual-Snap" Pressure & Temperature Switches

EVS VALVES

Metal Seated Severe Service Ball Valves for High Pressure, High Temperature Applications, Triple Offset Valves

FIKE CORPORATION

Rupture Discs, Holders, and Explosion Vents, Total Concept Explosion Protection, Venting, Isolation, Suppression.

**FLOWSERVE FCD CORPORATION
KAMMER
VALTEK**

Control Valves – Globe, V-Ball, Eccentric Disc, Severe Service Valves, Check Valves, Bellows Sealed Valves, Low Flow Valves, Actuators and Positioners, Valve Service & Repair

GARDNER-DENVER NASH

Liquid Ring Vacuum Pumps and Compressors, Waste Gas Compressors, Flare Gas Compressors, Packaged Systems, Steam Jets/ Ejectors

**MAGNETROL INTERNATIONAL
ORION INSTRUMENTS**

Level & Flow Instrumentation, Level Switches & Transmitters, Flow Switches and Meters, Magnetic Level Indicators/Transmitters

MID-WEST INSTRUMENT

Differential Pressure Gauges & Switches, Averaging Pitot Tubes, Pressure Snubbers and Gauge Overpressure Protectors, Backflow Prevention Test Kits

ROBERTSHAW CONTROLS CO.

Capacitance Level Switches & Transmitters, Pneumatic Controls, Recorders & Valves, Self-Op Temperature Regulators, Vibration Monitoring

SK VALVE

Severe Service Ceramic Knife Gate, Ball, and Specialty Valves for abrasive, corrosive, and high temperature applications

Tulsa
2/16/10

COMPLETE VALVE REPAIR SERVICES: ASME – UV & VR

Not all manufacturers represented in all territories.
